## Announcements

### Ride Sharing!

Northern Nights is committed to acting sustainably and encouraging thoughtful decisions. Thus, we urge you to travel with one another and enjoy the incredible sights along Highway 101 together. The Northern Nights Sustainability Squad is implementing a new Ridesharing Initiative in 2016.

To encourage carpooling and ridesharing, there will be a standard parking fee of \$20 per car that will be waived for vehicles with 3 or more passengers in the car.

Want to make use of this discount, but don't have anyone to ride with? We are now partnering with RickyRides! Click the link to plan your trip:
