

Join Your NNMF Fam Again on the River

We couldn't help but notice that you haven't gotten your ticket to join us again this year!

So we thought we'd send a reminder of what you'd be missing out on:

- 4 stages of bumping music
- Perfect summer days lounging on your floaties in the river
- Camping under the towering redwood trees
- Dancing the night away under the glistening stars
- Mind blowing art installations and live art pieces
- 50+ DJs / musical performances
- Specialty bars with craft brews, wine & cocktails
- A VIP experience to make you feel like you're royalty
- Many more secrets and surprises hidden in the forest waiting for you!

We really are going to miss you this year! And that's why we've decided to reach out to a random selection of previous Northern Nights ticket purchasers to sweeten the deal. (lucky you!) For already being a part of our NNMF fam, we'd like to give you this one-time special offer on your ticket to Northern Nights 2016!
