

NEXT LEVEL CAMPING

I know what you're thinking. Camping at Northern Nights already sounds pretty ideal, right?

You get the option of setting up your weekend home-base with your whole crew under the glistening Northern California stars in a giant grove of redwoods, a soft grassy meadow, or right beside the rushing crystal waters of the Eel River.

So how is it possible to take this experience to the next level?

For those who like a little extra comfort for their festival getaway:

WE'VE GOT 4 UPGRADE OPTIONS FOR YOU!

Reserve Your Spot in the Grove: UPGRADE to Reserved Redwood Camping and reserve your very own 10ft x 10ft spot (*2 people per spot). Travel to Northern Nights stress-free knowing a place to pitch your tent is waiting patiently for your arrival. You must bring your own tent and camping supplies. You may request to group multiple reservations together so you can camp with your friends. Reserved Redwood Camping is extremely limited and will sell out, so if this sounds like your dream camping situation, reserve your spot now!

Camp with Your Convenience of Your Car: UPGRADE to Car Camping and enjoy easy access to your car and belongings all weekend. This is the best way to camp with your car! You will have 10ft x 20ft space for your vehicle and campsite. Your car and campsite must fit in the designated space. Arrive together and camp together! No saving spots.

4x4 Truck Camping: UPGRADE to a new option of 4x4 Truck Camping (must have 4 wheel drive) and minimize the distance from your car to the campgrounds. You will have 10ft x 20ft space for your vehicle and campsite at a discounted rate of \$75.00.

Ultimate Festival Luxury: UPGRADE to RV Camping and reserve your 10ft x 30ft space for an RV and campsite. RV, Campsite, Tow Vehicles, etc. must fit within the designated 10ft x 30ft space. RV hook-ups are NOT available on site. Arrive together and camp together! No saving spots.

CONVINCED? RESERVE YOUR UPGRADE OPTIONS WHILE THEY LAST!
